Dear Saint James,

As I do every year during Stewardship Season, I am writing to appeal to your generosity, requesting that you make a financial pledge to our Church. Annually, we ask you to pledge. Each year you have stepped forward to support the church and the 43 ministries that are part of our Outreach Program.

My message is brief. Please do not set this card aside. Take a few minutes to ponder the importance of Saint James in your life and the life of our neighbors in need. Then give what you can, but also feel free to give more if you are able!

It is our goal that we have 100% participation in this Stewardship Drive. So, make a reasonable pledge, fill out your card and send it back to us.

With your generous financial support, Saint James can continue to be Jesus' living message of love and care for others out in the world.

Thank you for all that you give.

In faith and hope,
